LOUIS CADESKY

WIB DONALDSON

Welcome to Louada

For the 15th time, we extend our warmest welcome and greetings to Shorthorn and Polled Shorthorn breeders around the world and invite each one to the Louada October sale. Since that first invitation was issued much has been accomplished — not as much as we dreamed possible . . . but more than we had frankly hoped.

During this time our good friends and fellow Shorthorn breeders have been our greatest encouragement. It is supremely gratifying to see more and more Louada stock bulls go to their great herds throughout the world and to work lasting breed improvement.

Today Louada is in its strongest position. Just see for yourself the magnificent young bulls by Denend Constellation and Louada Royal Leader. Louada Rothes King continues in top form and we're more than pleased with the young junior sires. We especially want you to see the first calves by Louada Justright.

This promises to be Louada's foremost sale. Come early. We all want as much time as possible to visit with you and show you the progress made since last you were here.

The farms are always at their most beautiful in October. We'll be waiting for you. We count on you being our guest at dinner the night before the sale.

Brood cows like these and their lusty calves await your inspection at Louada.

GENERAL SALE INFORMATION

TIME AND PLACE . . . Wednesday, October 30, 1968, at Louada Manor Farms, Peterborough, Ont. The farm is about 20 miles north of Peterborough which is about 80 miles from Toronto. Sale starts at 12:30 p.m.

TRANSPORTATION . . . From Toronto the Canadian Pacific runs frequent trains to Peterborough. Toronto is reached easily by any means of transportation. If you wish to be met in Toronto, we will be happy to do so, but please let us know sufficiently in advance. See pages 5 and 6 for more detailed information.

HOTEL ACCOMMODATIONS . . . Sale headquarters will be the Rock Haven Motel in Peterborough. You may write them directly telling them you are attending this sale, or write to Wilbur Donaldson, Louada Manor Farms, R. 2, Peterborough, Ont., who will be glad to make reservations for you. Other good motels are the Holiday Inn, Tops, the Golden Nugget, and the Kawartha. All are excellent and all are located on Highway 28, south of Peterborough. We also recommend The Empress Hotel, Peterborough. Transportation from all these will be provided to and from the farm. A block of rooms has been reserved in each motel, but they cannot be held indefinitely due to heavy demand by tourists at this time of year. Accordingly, please make your reservations early.

AUCTIONEERS . . . Paul Good, Van Wert, Ohio, and Dick Kane, Wisner, Neb.

GUARANTEE . . . All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Ass'n.

HEALTH . . . All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calf-hood vaccination of females is practiced and the herd is accredited for T.B. and is in a certified Brucellosis free area.

TERMS . . . The terms of this sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions. All announcements at sale time, written or oral, supersede any written material in this catalog.

LIABILITY . . . Louada Manor Farms, its owners and employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, and clerks were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees, or health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract.

LUNCH . . . A ladies church organization will have lunch available sale day.

Forrest Bassford, The Western Livestock Journal, Denver, Colo.

or to any of the auctioneers listed, the owners or employees of Louada. All these representatives may be reached at the farm phone listed above within 24 hours of the sale.

INSURANCE . . . Will be available at the sale.

PEDIGREES . . . Pedigrees on each lot will be furnished to the new owner transferred on the records on the Canadian Livestock Records Ass'n. Further transfer to the herd books of other countries will be at the expense of the buyer.

DELIVERY . . . Louada Manor Farms will hold any purchases in this sale without charge and make free delivery to Chicago, Buffalo, Port Huron, Alexandria, N. Y., or Toronto at its convenience following the sale. From these points buyers can usually arrange further group transportation to get their cattle home at minimum cost.

SHOW RIGHTS . . . Louada Manor Farms reserves the right to select from the sale offering members for its show herd without any further announcement and keep them until after the International Livestock Exposition.

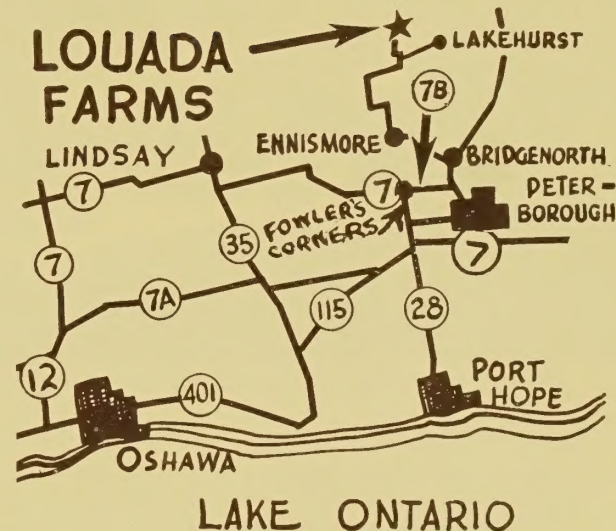

PREMIUM ON U.S. DOLLARS . . . The U.S. dollar is at a premium of about 7% in Canada. This exchange differential more often than not pays the buyer's cost of getting animals home.

Expressway 401 across Ontario is completed. This means you can drive across Ontario with ease and make good time. Coming from Detroit, go over the bridge (not through the tunnel). West and south of Detroit are fine expressway roads connecting with the Michigan, Ohio, Indiana, and Illinois turnpike systems. From Ohio and farther east study the turnpike systems which lead through the Buffalo and Niagara Falls area. Many of our friends in the Midwest will be able to get on expressways in Illinois and Ohio, for example, and stay on them until they turn north off 401 to Peterborough.

PETERBOROUGH AREA

From junction of 7 and 28 continue north on 7 to Fowler's Corners. Do not take 28 as it goes into Peterborough. From Fowler's Corners go east to 7B four miles to Chemong Road leading north to Bridgenorth. Then cross Chemong Lake at Bridgenorth, follow farm signs through Ennismore and on to Louada Manor Farms.

These maps are crudely drawn and are not meant to replace road maps. We feel they will be helpful, however.

TRAIN AND PLANE INFORMATION

By air . . . Chicago to Toronto

Air Canada, United and American airlines have many flights a day — each way — between Chicago and Toronto, leaving from O'Hare Airport.

By air . . . from other points

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

By rail . . .

You can take a sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in Toronto early in the morning. The train from Toronto to Chicago leaves about 10 p.m. Since schedules are subject to change, please check exact departure times.

By automobile . . .

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airplane ticket from Chicago-Toronto is only about \$55. Rail is about the same. Traveling alone, it is difficult to beat this by car.

By rail . . . Toronto-Peterborough

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection on to Peterborough, it will probably be best for you to do so because it is a fast train. However, if you are to encounter a long delay, we would prefer that you call W. W. Donaldson (705) 743-6980, and we will arrange to pick you up with others coming from the airport. Coming back from Peterborough to

Toronto there are generally trains at times that will enable you to make your connections, but in the event you cannot find a convenient connection, we will see to it you have transportation to Toronto.

Meeting you in Toronto

We will be happy to meet your plane. It is about a two-hour drive to the farm. Try to arrive early enough so you won't miss the gathering at the farm Tuesday afternoon and evening. **Please advise us in advance of your arrival time. Then you should report to the flight information desk of Air-Canada.** A representative of Louada will be nearby. If you miss connections, call W. W. Donaldson, (705) 743-6980.

If you are coming by train, you may find it just as convenient to continue by train from Toronto to Peterborough. However, if this doesn't work out, call the farm and we will include you in the cars coming from the airport. Cars will also be going back to the airport after the sale.

Cars from Peterborough

If you are without transportation upon arriving in Peterborough, contact the farm. On sale day cars will leave from the motel area at approximately 8:30 a.m. and 9:00 a.m.

All train and plane information given here is approximate. Be sure to check with your ticket agent for exact times. Because schedules change, we cannot quote exact times.

We urge you NOT to make your connections so closely that you arrive in Toronto Wednesday morning.

LOUADA:

World Fountainhead

For Great Shorthorns

"LOUADA MANOR"

Year after year, the influence of Louada stock bulls is expanding to be felt throughout the world in many of its greatest herds. This ringing superiority is no accident. The Louada breeding program has been carefully pointed to the development of big, rugged Shorthorns. Each year the herd moves closer and closer to that goal with a uniformity of brood cows and stock bulls seldom achieved in any herd of any breed.

With each Louada sire goes the heritage of the very best Shorthorns available throughout the world. The greatness of Louada is no accident. The herd has taken bloodlines reliable for centuries and molded them into big, modern cattle capable of working big improvement.

With more emphasis on size and length than ever before, Louada holds a bright spot in your future. The Louada Shorthorns have always been big. Look at the massive Denend Constellation. Look at the young Louada Justright that weighed 1,800 pounds at 27 months in working condition! Look at the great scale of Louada Royal Leader. Study the weights of the young sale bulls. A bull weighing 1,000 pounds in moderate fit at a year

is nothing unusual at Louada. They've been meeting and exceeding that mark for years.

Every Louada sale contains bulls and females destined to write breed history. That's why Louada has become the world fountainhead for great Shorthorns. Breeders know that the big Louada bulls will get the job done . . . in any environment, under any conditions.

If you've not seen the young sons of Denend Constellation selling this year, the trip is a must. Visitors to the farm agree they're the most uniformly excellent ever produced at Louada. It's worth traveling great distances for a Louada bull because a Louada bull can take you far.

A trip to Louada is a genuine pleasure at any time of the year. Plan now to be there on Wednesday, October 30. The selections you make will undoubtedly influence your herd for many years to come.

Be a Part of the Excitement That Is Louada!

ARRIVE AS EARLY

AS YOU LIKE

The day before the Louada sale is set aside for the kind of relaxation you enjoy most. Indian summer is always beautiful in Ontario and no farm is more pleasant than Louada, nestled on the shores of picturesque Pigeon Lake.

Here you can roam the pastures at leisure inspecting the world's most magnificent cows. See the stock bulls that have spread the Louada name around the globe. And, enjoy the companionship of Shorthorn and Polled Shorthorn breeders from all walks of life . . . from all over the world.

Come as early as you like, but don't arrive any later than Tuesday. Remember, this year the Louada sale is on **WEDNESDAY**. Stay as long as you like and plan definitely to be Louada's guest at buffet dinner the night before the sale.

IN THE PICTURES

Breeders from throughout the world annually converge on Louada for the year's leading Shorthorn sale. All identifications are left to right.

More important, these winners go on to write breed history in the hands of their new owners as stock bulls and foundation females of unparalleled stature. The bull you buy at Louada in October, may well stand in the championship circle a few weeks later as so many have before.

LOUADA BEAU GESTE by Louada Royal Leader was 1967 International reserve junior champion after topping the fall Louada sale at \$7,500 to George and Harold Frey, Oxbow, Sask. Top bull of the 1966 sale was also by Louada Royal Leader.

Louada is the only Shorthorn or Polled Shorthorn herd ever to win the best ten head award at the International with ten bulls — and Louada has done it twice!

World Fountainhead for Great Shorthorns

The influence of a Louada stock bull is unending. Each year more and more of the world's leading herds turn to the blood of a Louada bull or his descendants.

Pictured here are but a very few of the Louada sires around the country. Whether they're on lush midwestern pastures or rugged western ranges, the big Louada bulls get the job done.

The bred-in stamina and constitution of Louada-bred sires assures they'll have a long and productive life for you.

Study Carefully the Magnificent Heritage

Those who have tried to buy a truly great stock bull know the difficulties. It means thousands of miles of travel, countless days and weeks and great expense. It frequently means travelling to a sale to look at just one young bull . . . and then finding he won't quite measure up. Eventually the selection is made only to begin the long wait for calves that, hopefully, will be an improvement on their dams. Too often they're not, however, and the search begins all over again.

One of the reasons for Louada's continued dominance of the Shorthorn business is their many repeat customers. It happens for several reasons: 1) Leading breeders know that when they travel to Louada they will have a broad selection of young bulls . . . not just one or two. 2) They know the reputation of Louada sires. Their sons have spelled eminent success for dozens of leading breeders. 3) They know that the locked-in Louada heritage

nearly assures the improving prepotence of their selection. You can't fight with success. That's why so many breeders come back to Louada year after year.

Just look at the Louada sires pictured above. Calrossie Armada left an unmatched group of daughters that became dams of some of the country's top breeding bulls. The effect of Bapton Constructor was meteoric. Today his prepotence spans many generations to work improvement wherever Shorthorns are known.

But Armada and Constructor were only the beginning. The achievements of their successors are detailed elsewhere in this catalog. The important thing is that, through careful breeding, selection and management, the Louada sires become better in each succeeding generation . . . and they turn in top performance for their owners under almost any conditions.

DENEND CONSTELLATION

LOUADA ROYAL LEADER

LOUADA JUSTRIGHT

That Backs Every Stock Bull from Louada

Then you must consider the Louada females. The very best daughters of each stock bull make up a herd of rare uniformity. Further, it is annually strengthened with powerful representatives of every other worthwhile bloodline in the Shorthorn breed.

That's why today at Louada you can take advantage of the most powerful succession of stock bulls in history together with generations of the breed's surest female lines. Here is reliability bred-in for generations. It removes almost all of the gamble in buying a stock bull.

Look at the heritage. Look at what they've done for others. Look at the vast selection. Look at their powerful dams. That's why a Louada stock bull is almost sure to sire calves for you that are better than their mothers. The gamble is never completely removed from buying a stock bull. But the odds are heavily in your favor at Louada.

Where else can you find so many strong females, each capable of producing a true stock bull. Most of these at Louada already have.

Denend Constellation

There's no question about it. Denend Constellation is easily the most prepotent sire of really outstanding bulls ever to walk the pastures at Louada. None has ever left a group of sons of such uniform excellence, length and substance.

No bull living today combines a stronger outcross bloodline through a concentration of three of Scotland's most historic sires — Crugleton Perfect, Crugleton Willingdon and Calrossie Control. Today there is no doubt that Denend Constellation is the best-breeding son of Bapton Constructor. And, from his dam comes invigorating new outcross blood from William Garne's highly regarded Aldsworth Pure Gold family.

The first two sons of Denend Constellation sold in the 1966 sale at a \$3,100 average to Scofield Ranch, Austin, Tex., and to George Shaw, Trimble, Mo. And they were just a sample.

In 1967 Louada Proud Prince sold at \$2,450 to Roslyn Flett, Oakwood, Ont. Louada Standard Bearer brought \$4,100 on the bid of Larry Hanson, Columbia, S. D. And there was more to come!

Early in 1968 Louada Red Ensign, by Constellation, sold to Dorsey Elliott, Sublette, Kan., and to Mr. and Mrs. D. A. Phillips, Highlands, N. C. No less a cattleman than Hollis Hanson, Connerville, Ind., selected **two** Denend Constellation sons — Louada Scottish Prince and Louada Winfield!

And, most important to the future of Louada, the first calves have arrived by Louada Justright, the son of Denend Constellation that is retained. They prove the power of

DENEND CONSTELLATION

Denend Constellation to span future generations.

Today the pastures at Louada are filled with Constellation calves and experts from around the world agree that no group by a single sire has ever been better. Seven sons sell on October 30. They are bulls of excep-

tional size with great character and stamina. Here is vital new blood for the world's greatest herds. Here are scale, substance and abundant quality. Set your sights high for the sons of Denend Constellation. They will not disappoint you. Louada has never offered bulls by a single sire with more confidence!

All sons of Denend Constellation. From left are Louada Royal Mint; Louada Scottish Prince, now owned by B. Hollis Hanson, Connersville, Ind.; Louada Roxton, Lot 6; Louada Pipe Major, Lot 5; Louada Tornado, and Louada Winfield, now owned by Hanson.

Left — From left are Louada Pipe Major, Lot 5, and Louada Winfield, now owned by B. Hollis Hanson. Both are by Denend Constellation.

Right — From left are Louada Astronaut, Lot 1, and Louada Royal Command. Both are by Denend Constellation.

LEADING BREEDERS CHOOSE THE DENEND CONSTELLATIONS

Can there be any doubt that Denend Constellation is siring the most uniformly excellent sons ever born at Louada? Look at the bulls pictured here. They are all by Denend Constellation and are pictured at varying ages. Like any true stock bull, they look good at any stage of their development. Study the Denend Constellations carefully. They herald the beginning of Louada's greatest dynasty . . . BIG bulls capable of doing a BIG job of breed improvement for you.

Louada Justright by Denend Constellation is junior stock bull at Louada. He is shown here at 27 months when he weighed 1,800 pounds in working condition. His service is a sale feature.

Louada Scottish Prince by Denend Constellation was sold recently to B. Holl's Hanson, Connersville, Ind., who also purchased his three-fourths brother, Louada Winfield.

Louada Red Ensign by Denend Constellation is in service at Louada. He is owned jointly with Dorsey Elliott, Sublette, Kan., and Mr. and Mrs. D. A. Phillips, Highland, N.C.

Louada Proud Prince by Denend Constellation sold among the tops of the 1967 Louada October sale. He is now owned by Roslyn Flett, Oakwood, Ont.

LOUADA ROTHES KING — There can be no doubt that Louada Rothes King is one of the truly great stock bulls of the era. His overall conformation has won the praise of beef cattlemen everywhere. His sons have averaged more than \$4,000. His daughters assure the excellence of the Louada herd for years to come. Ten sold in the spring sale to average \$2,050 and included Canada's top-selling female of all time at \$6,700! His dam brought \$3,500 as a nine-year-old cow! In 1965 a son topped the sale at \$17,200. His senior and junior gets-of-sire were All-Americans in both 1965 and 1966. He sired most of the best ten head groups at the 1965 and 1966 International Livestock Expositions and ten sons made up the 1963 best ten head there. A daughter, Louada Judy Clara, was International supreme champion in 1966. Another daughter, Louada Princess Rosie, topped the 1967 October sale females before becoming grand champion at Timonium and reserve senior champion at the International. One of his first sons, Louada Peerless, owned by John F. Shuman and Sons, Byers, Colo., has been classified AAA. Another son, Louada Jason, is senior stock bull for Tempel Farms, Wadsworth, Ill., after winning the International reserve grand championship. King is by the \$30,000 Louada Bonaparte that was out of the immortal Blood Royal 33rd by Calrossie Highland Leader. On the dam's side are crosses of two more of the breed's more prepotent families — the Kirkton Queens of Rothes and the Tolquhon (Cruggleton) Princess Royals — lines that breed successful stock bulls and have for generations. The Louada Rothes Kings selling are your opportunity to acquire one of history's most illustrious bloodlines.

Louada Jason by Louada Rothes King sold at \$5,000 to Tempel Farms, Wadsworth, Ill., before becoming the 1963 International reserve grand champion bull!

The Louada Rothes Kings!

Seldom has any bloodline been accorded the honors of the Louada Rothes Kings. Since that great day in 1963 when the first four sold at \$5,000 each, they have stood for size and quality in the best herds of North America. International championships are theirs as well as top-selling honors year after year. A son sold for \$17,200 in 1965. A daughter holds the Canadian record female price of \$6,700. Moreover, consider the stature of the breeders who have selected them. Again this year there are sons selling that will undoubtedly write new chapters of Shorthorn history.

Best ten head at the 1965 International Livestock Exposition were these for Louada Manor Farms. Nearly all were by Louada Rothes King.

The senior get-of-sire by Louada Rothes King was first at the big International Livestock Exposition in 1966 and nominated for All-American honors.

Louada Judy Clara by Louada Rothes King was International supreme champion in 1966. It is one of the few times a female has ever won the supreme award.

Best ten head at the 1963 International Livestock Exposition were these ten sons of Louada Rothes King shown by Louada Manor Farms.

LOUADA ROYAL LEADER — Louada feels fortunate to have produced this powerful bull that is line-bred to the immortal Blood Royal 33rd, one of the great cows of this, or any breed. She produced her 14th calf for Louada at 17 years. She is also the dam of the \$30,000 Louada Bonaparte; of Louada Blockbuster, stock bull for N. D. Hogg, Uxbridge, Ont.; of Louada Bondholder, stock bull for Gavin, Barry and Ryan of Illinois and Byron Reser of Washington, and of Louada Argosy, sold to Joe Christen, Aurora, Colo. Louada Royal Leader is backed by the most prepotent blood of the breed including Lawton President Roosevelt, Calrossie Highland Leader, Kirkton Baronet and Lawton Field Marshall. Never has the service of a young bull been used from its inception with such a high degree of confidence. His first son offered at auction was Louada Provost that topped the 1966 fall sale at \$8,000 to Mains Farm, Poulsbo, Wash. Another son, Louada Beau Geste, topped the 1967 October sale at \$7,500 to George and Harold Frey, Oxbow, Sask., before becoming International reserve junior champion bull. Yet another son sold privately to Barry and Ryan of Illinois and W. N. Anderson of Iowa. An interest and possession in Louada Royal Leader was sold in January to M-F Farms, Milliken, Ont. He will continue to be used liberally at Louada. Two sons, Louada Roderick and Louada Acheson, are retained. The sons and daughters selling prove him to be a sire of exceptional size and substance with the big, sound feet that are demanded by commercial and registered breeders alike.

Consider the Heritage Behind

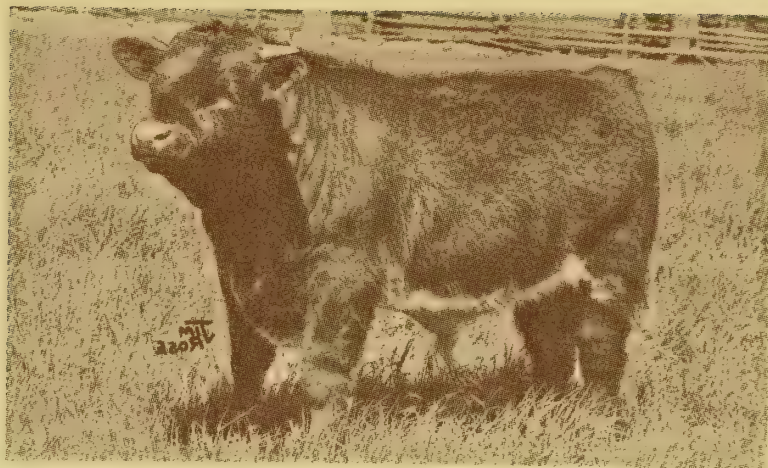

LOUADA PROVOST by Louada Royal Leader topped the 1966 Louada October Sale at \$8,000 to Mains Farm, Poulsbo, Wash.

BLOOD ROYAL 33rd founded an immortal dynasty at Louada. Among others she is the dam of Louada Royal Leader and of the \$30,000 Louada Bonaparte.

Louada Royal Leader!

LOUADA BEAU GESTE by Louada Royal Leader topped the 1967 Louada October Sale at \$7,500 to George and Harold Frey, Oxbow, Sask.

The red bull at left is Louada Roderick by Louada Royal Leader. Both Roderick and Louada Acheson, also by Louada Royal Leader, are Louada junior stock bulis.

LOUADA RED ENSIGN — Being used now at Louada is this top young son of Denend Constellation. His dam, Louada Blood Royal 130th, is out of the same cow that produced the International reserve grand champion Louada Cornerstone in service for Allwood Plantation, Thomasville, Ga.; Louada Copyright, in service at Allendale, Flesherton, Ont.; and Louada Conquest, the Royal Winter Fair reserve champion, in service for Harold Frey, Oxbow, Sask. This family also produced Louada Stalwart sold to Ben Zeigler, Zelienople, Pennsylvania, and Louada Brocade, herd sire for William Fenley, Greensburg, Ind. The \$30,000 Loupada Bonaparte sired the best group of five by one sire at Palermo in his first crop and the calf champion there was by him in 1967. Louada Red Ensign's first calves have arrived at Louada and prove his value to the breeding program. Ownership in Red Ensign is shared with Dorsey Elliott, Diaden Farm, Sublette, Kan., who has possession, and with Mr. and Mrs. D. A. Phillips, Highlands, N.C.

LOUADA RED ENSIGN

These Females Back Louada Acheson!

The second female from the right is Louada Augusta Queen 2nd by Bapton Constructor, the dam of Louada Acheson. One of the truly great females of the breed, any herd would be proud to call her the dam of their stock bull.

LOUADA ACHESON — A great young bull by Louada Royal Leader. His dam, Louada Augusta Queen 2nd, is one of the most famous cows of the breed. Two full sisters have sold for \$4,100 and \$4,000. Acheson's granddam is the \$5,700 Louada Augusta Queen, top female of the 1959 Louada sale. We believe that Louada Acheson and Louada Roderick are the modern type of stock bulls so much in demand by the cattle business of the future.

Louada Augusta Queen by Calrossie Armada topped the 1959 Louada sale at a record Canadian price of \$5,900 to KC Shorthorns, Kansas City, Mo., where she has produced long and well. She is the granddam of Louada Acheson

LOUADA ROYAL OAK — A son of Louada Royal Leader, which we now own in partnership with M-F Farms, Milliken, Ont. Louada Royal Leader sired the top-selling bulls of both 1966 and 1967 October sales. Louada Royal Oak has great size and scale, and is from a good-breeding line of cattle.

Louada Cupbearer by Louada Rothes King is senior stock bull for A. R. Cross, Calgary, Alta. He is out of the same cow as Louada Altoona, Lot 14.

U. S. DOLLARS AT PREMIUM

The United States dollar is at a premium of about seven per cent in Canada. This exchange differential more often than not pays the buyer's cost of getting animals home. Further, Louada Manor Farms will hold any purchases in the sale without charge and make free delivery to Chicago, Buffalo, Port Huron, Alexandria, N. Y. or Toronto at a convenient time following the sale. From those points buyers can usually arrange further group transportation at minimal cost.

Consider the "Big Bonus" with Every Louada Female You Buy

Breders annually are drawn to the Louada females to strengthen old herds and lay powerful foundations for new ones. Here are females of unexcelled conformation. They are backed by production unequalled anywhere. Here are pedigrees that insure prepotence. If you buy only a few females each year, or in several years, certainly two or three should come from Louada. The 40 selling this year represent the most dependable families . . . and they are all young to insure a long and productive career in your herd.

Beyond the females themselves, consider the "Big Bonus" that is yours with every Louada female you buy: service to one of Louada's world-famous stock bulls. Every one of the females selling is capable of producing a herd sire. Some already have. Think of the large number of herds that have "lucked" a sire in dam at Louada. Or, if that calf should be a heifer, consider what a valuable foundation female she will be.

Many Louada females have paid for themselves with their first calf and gone on to produce profitably and well for years. How many will you own from this prime offering?

LOUADA PRINCE RAPHAEL

Here is the bull calf that came to Fernwood in dam with Louada Princess Rosie, the International reserve senior champion that they bought at the top of the 1967 October sale. This is one of the first sons of Louada Justright and he has since been re-purchased by Louada. See him on sale day. He is just one example of the "Big Bonus" you get with every Louada female you buy.

The Boyden Entries

Louada Manor Farms is pleased to be joined in the October sale by Boyden Farms, Ltd., Unionville, Ont. Boyden is well-known as one of the classiest small herds on the continent and their female draft merits your serious consideration.

Senior stock bull at Boyden is the popular, young Allwood Regal King by Louada Rothes King. He was purchased by Boyden as a year-old calf in the 1965 Louada October Sale at \$7,200. He is a full brother to the \$6,200 Allwood Rustic King that is now stock bull for Fernwood Farm, Barrington, Ill., and sired two of their first-prize winners at the recent Illinois State Fair.

Regal King is from the great Louada Blood Royal 35th by Bapton Constructor. She topped the spring 1961 Louada sale at \$5,900 to Allwood Plantation, Thomasville, Ga. She is a full sister to Louada Barbarian, used by Lloyd Burr & Son of Iowa and a full sister to Louada Broadsword used by the McLachlans and Park Franklin in Michigan. She is a half sister to Louada Galahad, Louada Battleship and Louada Beaver. The great-granddam is Blood Royal 33rd that is the dam of the \$30,000 Louada Bonaparte and of Louada Royal Leader.

The Elliotts of Boyden have chosen their foundation females with care and the calves by Allwood Regal King prove the wisdom of their breeding program. They are fine people with a choice herd. We recommend their draft as we do our own in the full confidence that they will do well for you.

Allwood Regal King by Louada Rothes King is senior stock bull at Boyden Farms.
